

IMPORTANT COMMUNITY NOTICE

As parking has continued to be a problem for the community, it has become necessary to contract with a towing company to enforce our parking restrictions.

Beginning November 1, 2008, **cars parked in the street are subject to towing without warning.**

Should you choose not to follow the community parking restrictions and your vehicle is towed, contact Evans and Sons Towing at 801-975-9422. **Do not** contact an HOA Board member.

The HOA Board **will not** discuss the towing of your vehicle with you and will refer you to the towing company or Advantage Management. The HOA Board is not in control of, and **will not** refund, any fees you may incur for your parking violations.

Below is information you will need should your vehicle be towed:

Evans and Sons Towing

801-975 9422
